

Three Year 100% Warranty

The following is a Three Year 100% Warranty certificate covering your structure. This warranty is valid from the date of purchase through three years and is applicable only to the original purchaser. Relocating the structure from its original location invalidates this warranty. This certificate must be returned for the warranty to be honored.

Glick Structures guarantees the structural integrity of the building, excluding general wear-and-tear and normal aging. If the warranty requirements are met, actions honoring this warranty will include repairs on any part of the structure up to replacement of the structure.
